

Longwood Shopping Center

6430 Plantation Park Court
Fort Myers, FL 33966

Longwood Shopping Center was originally constructed in 1987-1988 and consists of a total of 18,550 square feet of leasable space. This property is a true neighborhood center, located in one of the most established, affluent suburbs in the greater Chicago area (Deerfield). Having been developed over the past fifteen years, this will always be a perfectly located center. This shopping center is located on the west side of Half Day Road, which is the borderline between Deerfield and Northbrook. Access is very good with Half Day Road intersecting with 119th Street a few blocks north, I-94 slightly more than one mile north and 123rd Street to the south.

In addition to the five buildings that make up this property, there is a 63,000 square foot Dominic's Grocery Store and a Bank of America branch that sit on the property. The total area, including the grocery store and bank, is approximately 12 acres.
